

KINDRED™

OUTDOORS + SURROUNDS

We are social creatures, meant to be together among the elements. To feel the crisp air over our sun-tired skin. To enjoy the warmth of a fire on our chilly toes. To take our coffees with the sunrise, and to trade stories into the night.

At Kindred Outdoors & Surrounds, drawing people together is what we do.

With hand-forged fire bowls, fireplace surrounds, and outdoor living spaces, we create atmospheres where people can commune, converse, and return to comfort. Spaces distinguished by craftsmanship, accentuated by firelight, and designed to draw us near.

It's a little bit of nature and a little bit nurture, all brought together into one kindred space, where we can be together among the elements.

Elegant solutions for luxurious outdoor spaces.

There's nothing quite like the pleasure of gathering friends and family in your own luxurious outdoor living space. With our outdoor products, there are a number of ways to create your very own personal retreat ranging from elegant fire bowls to inviting seating walls to beautiful outdoor kitchens. Fireplaces forged with the heritage of craftsmanship.

The fireplace is quite possibly one of the most dramatic spaces in any home. With the unique power to mesmerize, a fire draws us closer to its warmth. Such beauty and drama beckons for an elegant frame.

Our fireplace surrounds are handcrafted to create a distinctive one-of-a-kind appearance, normally only found with natural carved limestone. Explore the stylistic array of surrounds, ranging from contemporary to traditional designs.
